

SUMMARY

Seeking an Associate Developer role where I can leverage my skills in Java, web technologies, and backend development to contribute to innovative projects. Passionate about problem-solving, continuous learning, and building efficient, scalable software solutions.

EDUCATION

Bachelor of Technology in Computer Science

Sri Venkateswara College of Engineering and Technology,
Chittoor | Nov 2021 – May 2025
CGPA: 8.80/10

Higher Secondary Education (Class XII)

SDC Indep PU College, Bangarpet | June 2020 – March 2022
Percentage: 85%

Secondary Education (Class X)

Vemana Vidya Samsthe School | May 2019 – March 2020
Percentage: 86%

TECHNICAL SKILLS

- Languages: Java (OOP, Multithreading, Exception Handling, Collections)
- Web Development: HTML5, CSS3, JavaScript
- Frameworks & Backend: Java Servlets, JSP, Spring (Basics)
- Database: MySQL, SQL
- AI Tools: ChatGPT (Prompt Engineering), Cursor (AI Pair Programming)
- Version Control: Git & GitHub
- Tools/IDEs: Eclipse, VS Code

CERTIFICATIONS

- Full Stack Java Developer – Echo Brains (2024)
- AI, Machine Learning & Data Science – IIDT (2023)
- UI/UX Design – L&T Edutech (2024)
- MongoDB Essentials – L&T Edutech (2024)

PROJECT EXPERIENCE

Navigating the path to academic success

- Developed AI-driven academic platform with Python and ML for personalized student recommendations.
- Designed front-end dashboards using HTML, CSS, JavaScript to visualize progress and analytics.
- Enhanced user engagement through AI-powered adaptive learning algorithms.

Employee Management System

- Created a Java Servlet-based web app with MySQL backend for automated employee record management.
- Implemented CRUD functionality, user authentication, and role-based access control.
- Improved HR data accuracy and reduced manual processing time by 40%.

Tourism Booking Portal

- Developed a responsive booking system using HTML5, CSS3, JavaScript with user login and session management.
- Integrated transportation, accommodation, and food booking features with real-time availability checks.
- Ensured cross-browser compatibility and mobile responsiveness for improved UX.

SOFT SKILLS

- Team Collaboration
- Problem Solving
- Leadership
- Adaptability
- Communication
